At *Sensorí*, it is our sincere wish to introduce holistic wellness to your life, offering experiences that will help you live healthier, look better and feel renewed. *Sensorí* celebrates the senses through a spa experience emphasizing all one can potentially see, hear, touch, taste, smell and feel. Our menu of services offers a distinct sense of place, integrating the healing properties of the local plants and environment with the traditional remedies of massage, movement, hydrotherapy and aesthetic care to invigorate and restore the senses. Our staff will also spend thoughtful time discussing which treatments are best for you with a focus on optimal health.
